By phone: (669) 900-6833 | Meeting ID: 862 7419 9684 | Passcode: 335790

Meeting purpose: During the morning we will provide an update on operations and monitoring over the last six months (since the April 18, 2024 workgroup meeting).

The afternoon will be an update on the SFPUC/NPS collaborative effort to restart the environmental review process associated with the SFPUC proposal for new environmental flow recommendations below O’Shaughnessy Dam and responses to questions presented during and after the May 6, 2024 meeting in Moccasin.

10:00-12:00 Regular updates
